

The following benefit is specific to associates of  
**Genesys Health System ministry**

<p><b>Approval for Tier 1 benefit with a Tier 2 provider not listed on the Schedule of Alternate Tier 1 Providers</b></p>	<p>Upon a referral request to the <b>Genesys Medical Department</b> initiated by a Genesys participating SmartHealth physician, a prior authorization may be obtained which would authorize an associate to seek services from a Tier 2 provider and receive Tier 1 benefits as listed in the Tier 1 column of the Schedule of Medical Benefits. The prior authorization will be specific to the treatment plan outlined in the original authorization request.</p>
